

EAW 2012 Legislative Day

February 8, 2012

Come spend the day with us in Olympia to see how your government works, and learn about issues that affect your practice in the settlement industry. This event provides an opportunity to meet and network with other professionals to discuss regulatory and legislative issues that affect the industry, and learn how you can be proactive and express your opinion about these matters.

Our day begins at 9:00 am in the office of our Legislative Advocate, Tamara Warnke, with continental breakfast and discussions about specific issues and proposed bills. This will be followed by a tour of the “Hill” where you can meet your legislator and see the inner workings of Olympia!

There is no charge for this event, however you are on your own for lunch.

Carpooling will be available from the Park & Ride located at I-5 and SR 512 in Tacoma. Parking is limited in Olympia, so this may be your best option.

In order to make proper arrangements, please sign up in advance by contacting Phil Dryden, EAW Legislative Chair, at: phil@notecollection.com.

When you sign up, you will be emailed more information on lunch options and where to meet to carpool. If you prefer to drive to Olympia and meet the group there, the address is: 130 18th Avenue SE, Olympia, WA.

This interesting day in Olympia ends between 2:00 and 3:00 pm to facilitate your return home.

Mark your calendar and sign up now to attend this very important event!
